The Sustainment Training Center (STC) offers a Physical Calibration Training Course for your Full-Time Calibration Technicians. The course contains instruction on items listed in TB 43-180 with focus on theory of standards and verifying items under calibration using appropriate standards within physical calibration systems.

The training is NOT MOS producing or Additional Skill Identifier (ASI) awarding.

This course is in the ATRRS School Reservation System under School Code 952, Course Title: 964-PH1 CALIBRATION.

Technicians/Soldiers attending the instruction will attend this training in a paid status. Cost to the States for sending Technicians/Soldiers include travel to and from Camp Dodge from the Technicians/Soldiers home station. Food subsistence is local economy. Lodging is available on Camp Dodge for $48.00 per night for single room, queen size bed and shared latrine.
