The Sustainment Training Center (STC) offers a MSD-V4 R/L Training Course focusing on how to restore the MSD and load software needed to troubleshoot. Core fundamental teaching points are operation of the MSD-V4 R/L and troubleshooting using available software and WATS kit.

The training is NOT MOS producing or Additional Skill Identifier (ASI) awarding.

This course is in the ATRRS School Reservation System under School Code 952, Course Title: 964-WHEEL MSD DIAGNOSTICS.

Technicians/Soldiers attending the instruction will attend this training in a paid status. Cost to the States for sending Technicians/Soldiers include travel to and from Camp Dodge from the Technicians/Soldiers home station. Food subsistence is local economy. Lodging is available on Camp Dodge for $48.00 per night for single room, queen size bed and shared latrine.
