The Sustainment Training Center (STC) offers a Tactical Water Purification System (TWPS) Maintenance Training Course focusing on servicing, repair, replace and troubleshoot the pneumatic, pumping, plumbing, mechanical and electrical systems. Core fundamental teaching points are operation of all systems and performing maintenance and troubleshooting procedures.

The training is NOT MOS producing or Additional Skill Identifier (ASI) awarding.

This course is in the ATRRS School Reservation System under School Code 952, Course Title: 964-TWPSMT.

Technicians/Soldiers attending the instruction will attend this training in a paid status. Cost to the States for sending Technicians/Soldiers include travel to and from Camp Dodge from the Technicians/Soldiers home station. Food subsistence is local economy. Lodging is available on Camp Dodge for $48.00 per night for single room, queen size bed and shared latrine.
